

# CURRICULUM VITAE OF MAFOJANE SILAS

## COVER LETTER

Dear Sir/Madam

Please accept this letter and the accompanying resume as an expression of my interest in gaining experience in your organization.

As my resume indicates, I just completed doing my Work Integrated Learning at Tshwane University of Technology. I would then like to complete the rest of my in-service training with an organization in which my effective performance will be met with recognition and growth.

I have acquired knowledge in using, cleaning, maintaining and calibrating of laboratory equipment .Maintaining security, integrity, traceability and identity of samples, and work records. Prepare, store and dispose of samples. Sample, reagent and equipment preparation for testing. Preparing of suitable positive and negative controls. Testing of samples and controls and recording the results. Work with support staff to organise, plan, and allocate testing and other work in a team set-up. Verification of results and controls and preparation of reports

I enclose my resume for your review and look forward to meeting with you in the near future. Should you have any questions or require clarification on any information please contact me.

Yours faithfully

MAFOJANE S
